2018 Mission Appeal

The Propagation of the Faith Office of the Diocese of Hamilton has invited the Diocese of Kumbakonam, India, to speak to us about their missionary activities and challenges. Rev. Eugene Savarimuthu will address our Parish at all Masses on the weekend of July 7 & 8 and will speak about their community and their goals for New Evangelization. Here are some facts and goals:

- Diocese established in 1899 with a Catholic population of 213,000 (6% of the country's population). Served by 210 Diocesan and 63 religious priests, 588 nuns
- Currently there are 93 Parishes and 618 mission stations. Most Catholics have no vehicle to travel to main parish for Sunday Mass and are so poor that they cannot offer financial support. More parishes are needed.
- Strive to provide 126 Catholic schools with better facilities and tools to improve the quality of religious and faith formation;
- Education of more men in the seminary, since the diocese abounds in vocation to the priesthood and religious life;
- Education of 1000 very poor or orphaned children and providing them with free board & lodging.
- And much more!

The Diocese is trying to materialize these and many more missionary goals which are 80% dependent on Missionary Coop funds. The mission and spiritual prospects of Kumbakonam Diocese are bright, but its needs are many and pressing. 60% of Catholics are depressingly poor. Therefore, your fervent prayers and generous help are earnestly requested.

From the Vocation Office

13th Sunday in Ordinary Time – July 1, 2018

Jesus healed Jairus' daughter by saying "Talitha cum" which means "little girl get up!" Has the Lord called you to get up and walk? Perhaps Jesus wants you to help others get up and walk. If you think God is calling you, contact Fr. Michael King, Vocation Director, 905-528-7988 x 2246 or vocations@hamiltondiocese.com.

Summer Bulletin Schedule

We are now into our Summer Bulletin schedule, and the next Bulletin will be available for the weekend of July 14 & 15. If you have any information you would like published, please email it to the office by July 9th.

**Just Arrived at St. Joseph Parish
"Fatal Flaws":**

The Dangers Of Medical 'Aid' In Dying Law

Are assisted dying laws leading society down a dangerous path? It's time to learn about the issue as it is experienced in lived reality. Local filmmaker and Kevin Dunn has spent the past three years travelling throughout Canada, The Netherlands, Belgium and the USA to learn more about the answer to this important question. **Critics say "FATAL FLAWS" 'is a must-see for every patient, person or medical caregiver** who wants to understand the difference between medical killing and medically-responsible caring.

Because of the importance of this issue, we have purchased a CD of the film for our Parish Library. Please take the time to borrow and view. If you wish to purchase a copy for yourself, please contact Euthanasia Prevention Coalition at 877-439-3348 or email info@epcc.ca

Prayer for Canada Day

Eternal God,
whose reign extends from sea to sea
and whose care endures throughout the ages,
hear our prayers for our country:
grant wisdom to those who govern it
and respect for human life and dignity to every citizen,
so that justice may flourish
and all peoples live in unity and peace.
Through our Lord Jesus Christ, your Son,
who lives and reigns with you in
the unity of the Holy Spirit,
one God, for ever and ever.
Amen
