A Prayer For Compassion Amid The Coronavirus Crisis

May we who are far from the ones we love be reminded to find ways to be the loving embrace of God for our neighbour.

May the restrictions we face remind us of the daily threats to human dignity, life and basic safety faced by so many people around the world.

May we who are healthy remember people without access to basic health care.

May we who are limiting our travel remember those who have no safe place to go.

May we who have a social safety net remember our sisters and brothers in the Global South whose hardships will only increase.

May our fear for our elders' lives move us to love and cherish each person we encounter every day.

*In the face of fear, let us choose love, peace and hope.
Amen*
