## From the Pastor's Desk

Fr. Robert Hétu

On Ash Wednesday, many of us were signed with ashes. We were signed in the form of a cross—the sign of our salvation. The cross of ashes means that we are making a commitment to participate in this Lenten season of almsgiving, prayer and fasting. It also describes our human condition. It reminds us that we are broken, and need repair; that we are sinners and need redemption. Most importantly, it reminds us that as followers of Jesus we are called to carry our crosses.

We are invited during these forty days of Lent to affect a real conversion and renewal of life—to die to self, by true almsgiving, prayer, and fasting. By *almsgiving*, we highlight others as more important than ourselves and we give ourselves and of ourselves to others as Jesus did. By *prayer*, we highlight God as most important in our life; by humbling ourselves, we magnify God and try to come closer to the Lord. By *fasting*, we discover our personal self; by cutting, pruning and disciplining ourselves, we see who we really are. By doing all three of these sacrifices with joyful hearts and minds, we will prepare ourselves to rise with Jesus and to share in the new life of Easter.

As the *Word Among Us* devotional, several years ago, reminded us, "In the final analysis, Lent is far less about giving something up and far more about making ourselves more available to God. If all we do is avoid eating sweets or watching too much television—without taking the opportunity to seek out the Lord more deeply—we will have missed the point of this holy season." This Lent, let us die to sin and draw nearer to God. Let us 'remember that [we] are dust and unto dust [we] shall return.' May our prayer throughout Lent be: "Lord, draw us from the dark ashes of death to the light of new life."

**FOOD FOR THOUGHT:** "Apart from the cross, there is no other ladder by which we may get to heaven." ~ St. Rose of Lima

**LAUGHTER GOOD FOR THE SOUL:** "I'm giving up negativity for Lent. We'll see how long this lasts."

### **Volunteer Opportunity:**

**The St. Vincent de Paul Particular Council of Guelph Social Justice Group is looking for volunteers to help in upcoming projects.**

Social Justice is a key component of Society of St. Vincent de Paul where we examine the root causes of poverty, create strategies and advocate to change those structures that keep people in poverty. Our work follows the Ten Principles of Catholic Social Teaching. At present we are working with our students in high school to learn about Social Justice and engage in projects to address the needs of those we serve, supporting affordable housing initiatives and helping families to sign up for Canada Learning Bond. We are especially looking for retired teachers and others to assist with our work with youth and share their expertise in the area of Social Justice. If interested in learning more, please send contact information to [socialjusticeclbguelph@gmail.com](mailto:socialjusticeclbguelph@gmail.com) and someone from our committee will contact you to provide more detail.

### **Parenting Tip Of The Month**

We are constantly teaching our kids by what we choose to make a priority. We encourage schoolwork to be done well, engage in extra-curricular activities for fun and development, pray and attend Mass so faith stays at the forefront of our family values. We are however, also teaching our children when we are not trying to teach them. In those moments we are silently saying, you matter and I love being with you, that family time to relax is vital to good mental health and that undertaking chores together connects us as a family. So, enjoy the non-teaching times because they matter more than you might think! (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)

### **Marriage Tip Of The Month**

We communicate by using words, sometimes without thinking about their impact. Words can build someone up or tear them down. It is the same in our relationships, the words we choose to express ourselves can impact our relationship, even when there is an issue, positively or negatively. Severe words that criticize, words used in harsh tones, words that are not true, or worse, saying nothing at all but acting angry, all escalate sometimes small matters into a storm. Speaking the truth and expressing needs in ways that are not negative will resolve matters and do no harm, in fact, they will strengthen your love and bond. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250)
